

BU Exam I - Fundamentals

Name: _____

Date: _____

Note – In drills F1-F5, circle every 7 that follows a 7, indicating shot success at 7. The number of circles is the number of bonus points. The maximum score allowed (including bonus points) is 10 (i.e., if the total with bonus points is greater than 10, record the score as 10).

score = position after 10th shot (6) + number of bonus points (2)

TOTAL (max = 100):																																					

always start in position 4 before shot 1

if you pocket the first shot from position 4, you advance to position 5 after shot 1

if you miss the first shot from position 4, you move to position 3 after shot 1

if you succeed at position 7, you stay at position 7

circle every 7 that follows a 7 to indicate a bonus point for pocketing the shot from position 7

if you miss from position 1, you stay at position 1

missed the last (10th) shot from position 7 after 6 bonus points

maximum score allowed even though actual score was 6 + 6 = 12

in drills F6-F8, put an "x" in the top row with each success and in the bottom row with each miss

number of x's in top row
