

BU Exam VIII – Follow Matrix Drill

Instructions:

- Pocket the OB and follow the CB forward from **five different CB-OB distances (1-5 diamonds) to five different follow distances (1-5 diamonds)**.
- Take **three shots at each CB position and follow distance**, with each successful shot worth 1 point.
- Place the CB and OB anywhere you want along the diamond lines within one diamond of the side rail, with the **CB on the head string** for all shots.
- You must **follow forward so the center of CB is within a ½ diamond of the target distance**.
- The CB can come off the side rail, but the center of the **CB must remain within one diamond of the side rail**.

Total Score (max: 100) =

of successful shots (max: 75) x 4/3 (factor to scale max score to 100)
